

Foundation Programme

The Foundation Programme is an APIIT award quality assured by Staffordshire University in the UK. The Programme prepares students with GCE O/L qualifications for direct entry to the Degree Programmes in Computing/ IT and Business Management. It is also intended for students with GCE A/L qualifications that fall short of the standard entry requirements for the Degree Programmes.

The Foundation Programme is designed to develop students' capabilities in IT, Business and related areas; instil a culture of professional outlook and behaviour; and inculcate study skills and practices based on sound educational methods. The programme also provides students with effective communication skills, imparts an awareness of the context in which Business and IT operate and improves students' use of written and spoken English.

Admission Requirements

The qualifications required for admission to the Foundation Programme are 5 Passes inclusive of 2 Credit Passes for English and Mathematics at G C E (Ordinary Level) Examination.

Course Duration:

The Foundation Programme is an 8-month full-time programme comprising two semesters of study.
